CAUTION: Do not install this monitor in a location having excessive heat or in any way that obstructs the ventilation openings in the cabinet. Premature component failure or cabinet damage may result.

NOTE: Installation of the monitor and rack mount into the console may require two persons.

C1949M (5/99) Bezel Rack Mount for the PMC21A 21-Inch Color Monitor

IMPORTANT SAFEGUARDS AND WARNINGS

Prior to installation and use of this product, the following WARNINGS should be observed.

1. Installation and servicing should be done by qualified installation and service personnel only.
2. Installation should be done according to all local and national electrical and mechanical codes, using only approved materials.
3. Use only installation methods and materials capable of supporting four times the maximum specified load.

Please thoroughly familiarize yourself with the information in this manual prior to installation and operation.

INSTALLATION

The bezel rack mount is provided as a standard accessory for the PMC21A color monitor. The rack mount is constructed of steel, has a black finish, and occupies 11 rack unit spaces. It is supplied with eight flat-head screws to attach the rack mount to the monitor and four 10-32 screws to attach the rack mount to a console.

1. Slide the bezel rack mount onto the monitor from the rear and attach it to the monitor with the eight flat-head screws provided.
2. Place the PMC21A monitor and rack mount into the console, align the mounting holes of the rack mount with the mounting holes in the console, and insert and tighten the four 10-32 screws provided. The face of the monitor protrudes approximately 4.8 inches (12.2 cm) from the front of the console.
3. For the remainder of the monitor installation instructions, follow the procedures in the installation/operation manual for the monitor.

Pelco will warrant all replacement parts and repairs for 90 days from the date of Pelco shipment. All goods requiring warranty repair shall be sent freight prepaid to Pelco, Clovis, California. Repairs made necessary by reason of misuse, alteration, normal wear, or accident are not covered under this warranty.

Pelco assumes no risk and shall be subject to no liability for damages or loss resulting from the specific use or application made of the Products. Pelco's liability for any claim, whether based on breach of contract, negligence, infringement of any rights of any party or product liability, relating to the Products shall not exceed the price paid by the Dealer to Pelco for such Products. In no event will Pelco be liable for any special, incidental or consequential damages (including loss of use, loss of profit and claims of third parties) however caused, whether by the negligence of Pelco or otherwise.

The above warranty provides the Dealer with specific legal rights. The Dealer may also have additional rights, which are subject to variation from state to state.

If a warranty repair is required, the Dealer must contact Pelco at (800) 289-9100 or (559) 292-1981 to obtain a Repair Authorization number (RA), and provide the following information:

1. Model and serial number
2. Date of shipment, P.O. number, Sales Order number, or Pelco invoice number
3. Details of the defect or problem

If there is a dispute regarding the warranty of a product which does not fall under the warranty conditions stated above, please include a written explanation with the product when returned.

Method of return shipment shall be the same or equal to the method by which the item was received by Pelco.
