3.0 INSTALLATION

To install the WD35 Series Window Defroster Kit, perform the following steps (see Figure 1):

1. Disconnect the enclosure from all sources of power and open the enclosure lid.
2. Remove the camera and sled.
3. Loosen the screws in the bottom window bracket.
4. Remove the top window bracket.
5. Position the window defroster with the metal plate against the inside face of the window. Make sure the defroster wires are in the lower left corner of the window.
6. Reinstall the top window bracket.
7. Tighten the bottom window bracket screws.
8. Route the defroster wires between the track rail and the body of the enclosure. Attach the window defroster wires to the PCB terminal locations as shown in Figure 2. Make sure the window defroster wires are not obstructing any other accessories within the enclosure.
9. Reinstall the camera and sled.
10. Close the enclosure lid and reconnect power to the enclosure.

NOTE: *Window defrosters manufactured after July 1998 have a metal plate affixed to the defroster.*

NOTE: *When a window defroster and blower are both used, the two accessories will share the same terminal locations on the PCB.*

Pelco will warrant all replacement parts and repairs for 90 days from the date of Pelco shipment. All goods requiring warranty repair shall be sent freight prepaid to Pelco, Clovis, California. Repairs made necessary by reason of misuse, alteration, normal wear, or accident are not covered under this warranty.

Pelco assumes no risk and shall be subject to no liability for damages or loss resulting from the specific use or application made of the Products. Pelco's liability for any claim, whether based on breach of contract, negligence, infringement of any rights of any party or product liability, relating to the Products shall not exceed the price paid by the Dealer to Pelco for such Products. In no event will Pelco be liable for any special, incidental or consequential damages (including loss of use, loss of profit and claims of third parties) however caused, whether by the negligence of Pelco or otherwise.

The above warranty provides the Dealer with specific legal rights. The Dealer may also have additional rights, which are subject to variation from state to state.

If a warranty repair is required, the Dealer must contact Pelco at (800) 289-9100 or (559) 292-1981 to obtain a Repair Authorization number (RA), and provide the following information:

1. Model and serial number
2. Date of shipment, P.O. number, Sales Order number, or Pelco invoice number
3. Details of the defect or problem

If there is a dispute regarding the warranty of a product which does not fall under the warranty conditions stated above, please include a written explanation with the product when returned. Method of return shipment shall be the same or equal to the method by which the item was received by Pelco.
