Samsung Monochrome Laser Multifunction Printer
SCX-4728/4729 Series

One touch Eco Print and built-in Duplex make it easy for you to save money as you print
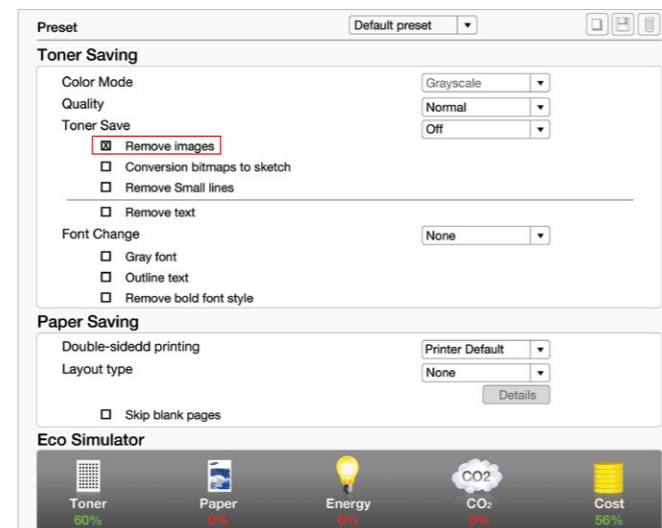

The perfect balance

For a multifunction device that balances the dual needs of economy and power, look no further than the Samsung monochrome Laser Multifunction Printer SCX-4728/SCX-4729 Series.

Bursting with Eco-friendly features, the SCX-4728/SCX-4729 Series is the ideal choice for businesses looking to balance power with economy. Low power consumption allows you to keep your carbon footprint to a minimum. The built-in Duplex capabilities help users to easily reduce paper usage. While the One Touch Eco Button enables users to select the most Eco-friendly settings with a single button, including Duplex, printing 2 pages per sheet and Toner Save mode.

The Samsung Easy Eco Driver enables you to quickly edit your documents, such as removing bold type fonts, unnecessary images or text to save toner. The unique Result Simulator feature within the printer driver also enables you to see how much you can save. Depending on the settings you select, the Result Simulator estimates what percentage of CO_2, electricity and paper you can save. For example, with the default Eco Print mode selected you could save up to 89% CO_2, 50% energy and 75% paper usage when compared to normal usage. So you can be sure to make the most Eco-and pocket-friendly choice every time.

- Carbon Footprint : Reduce **89%**
- Power Consumption : Reduce **50%**
- Paper Used : Reduce **75%**

* Under default Eco mode

Functional and versatile

Delivering 4 in 1 versatility, the SCX-4728/SCX-4729 Series is the ideal business multifunction device. At a basic level it offers fast print and copy speeds up to 28ppm (A4), plus fax and scanning functions. Delve a little deeper and you'll discover that the SCX-4728/SCX-4729 Series is packed full of useful functionality:

• Copy
Alongside fast speeds, copy features include: **ID Copy** which allows copying of both sides of an ID card or other small document onto a single sheet without alignment issues or having to feed the paper back into the printer; **N-up** copy, which prints multiple copied sheets per page; **Clone** and **Poster** copy.

• Scan
Useful scan features available on the SCX-4728/SCX-4729 Series include: **Network Scan**, where scanned files can be saved to the network and **Colour Scan**.

• Fax
As well as offering standard **33.6Kbps fax** capabilities, the SCX-4728/ SCX-4729 Series offers: **PC Fax**, which enables you to save time and paper by sending a fax directly from your PC; while the **Fax to PC** support allows received fax data to be delivered straight to your PC via local connection or the office network.

Compact, smooth and stylish, – the Samsung monochrome laser multifunction printer

Pleasant working environment

Small and stylish, the SCX-4728/SCX-4729 Series is the perfect multifunction device for the small office environment. Offering quiet printing at just 50dBA, you can rest assured that it won't disrupt your working day, while the compact design ensures it will look at home on any desk. Its convenient design ensures that the small footprint is all the space you'll need. The simple, smooth lines, built in cassette tray and new user friendly tiltable operation panel all help to fully optimise the users' working environment.

Wireless connectivity

For users who use multiple mobile devices, like smartphones or Tablet PCs the SCX-4729FW* model delivers the ultimate flexibility. Saving time and hassle, Samsung Mobile Printing enables you to connect your mobile devices directly to your wireless SCX-4729FW. There's no need to install a new driver or configure network settings, simply download the Samsung Mobile Printing application from the Samsung Web store, and once downloaded it will automatically detect compatible Samsung multifunctional printers. Giving you the flexibility to print files directly from your mobile device, without having to connect through a PC.

The One Touch Wi-Fi Button lets you connect quickly and easily. Simply select the WPS (WiFi Protected Set-up) button on the MFP, press WPS button on the wireless access point (router) and you're done. No security keys or passwords required. The ultra-convenient One Touch Wi-Fi Setting automatically configures — and protects — your wireless network for you.

*Wireless network connectivity available on SCX-4729FW only

Functional software

Samsung Easy Printer Manager enables you to manage all of your Samsung device settings, status monitoring, supplies ordering, scanning and faxing in one convenient, easy-to-use location. You can also utilise advanced functions such as job accounting, event logs and alert settings – providing a single interface to all your Samsung printing device setting and applications.

The **Samsung Universal Print Driver** enables you to print to any Samsung device without having to install a driver for every networked printer. It is also compatible with any printer or multi-function printer (MFP) that utilises PCL6 or PostScript languages, meaning a wide range of devices from different manufacturers can be accessed on the single driver.

Another useful feature is **Samsung's AnyWeb 2.0 Print** software. It allows you to select, drag and drop content from different web pages into a single scrap board, without the need to resize or edit. The pages you create can be saved as tiff files or PDFs, and printed using the Print Screen button or your normal print menu – enabling you to quickly and easily print what you see.
