

SVMi-8 Voice Mail System

To Set Up Your Mailbox

1. Dial the voice mail system using the access code (see box below).
2. Dial #71 and change your default password
3. Dial #72 and record your name
4. Dial 51 and record your personal greeting

Your mailbox is now ready for use.

To dial the SVMi-8 Voice Mail System, dial the relevant access code:

Compact II	519
DCS	529
iDCS500 (M)	529
iDCS500 (L)	549

Quick Reference Guide

The Samsung SVMi-8 Voice Mail System provides comprehensive voice prompts for every step to make it easy to operate all the system features. This Quick Reference Guide should be used in combination with the voice prompts to quickly access the main features of the SVMi-8.

The various voice mail menus are accessed using the telephone dial keypad as shown in the illustration.

For complete SVMi-8 Voice Mail System operating procedures, consult the User Guide and Technical Manual which are on the supplied CD or which can be downloaded from the Samsung Telecoms website at:

www.samsung-telecoms.co.uk
