Package Contents

- One (1) AKB-805MAC keyboard
- One (1) CDROM MediaKey Driver Disk
- One (1) Users Manual

1) MediaKey Installation

1. Insert the **Driver CD** included in your package into your CD-ROM drive.
2. Double-Click the **CD-ROM icon** when it appears on your desktop.
3. Double click the **Mediakey Driver** icon
4. Double-Click the **Mediakey Installer** to begin the installation. Follow on screen instructions and press "continue" to proceed.
5. Choose your **volume drive** to install to such as your hard drive by clicking on it one time with your cursor. Click Continue.The System Installer should take you to the easy install window.
6. Follow the on-screen instructions and then click "install". (when prompted with restarting your computer after install is done, please click on "continue installation")
7. When installation is complete, you will be prompted to restart your computer. Click **"restart"** to restart your computer.

The driver will automatically set the keys to your default application.

2) MediaKey Uninstallation

1. Insert the **Driver CD** included in your package into your CD-ROM drive.
2. Double-Click the **CD-ROM icon** when it appears on your desktop.
3. Double click the **Mediakey Driver** icon
4. Double-Click the **Mediakey Un-installer** to begin the un-installation.
5. Follow on screen instructions and press **"remove"** to uninstall.
6. When un-installation is complete, you will be prompted to restart your computer. Click **"restart"** to restart your computer.

3) Internet Hot Keys

The hot keys provide instant access to e-mail plus functions like ***Back, Forward, Stop, Refresh, Search, Favorite*** and ***Web/Home***. Simply press one of the hot keys to instantly receive your email or access the internet.

4) Multimedia Hot Keys

This keyboard provides ***Mute, Volume Up/Down, Previous, Stop, Play/Pause*** and ***Next*** hot keys for one touch control.

5) Other Hot Keys

Close	Close window
Print	Print the file in the active window
Stickies	Open the stickies application
Sherlock2	Open the Sherlock2 application
Mail	Starts the default e-mail program

6) Programmable Keys

Use one of the ***pf1, pf2*** or ***pf3*** programmable keys to create access to your own applications or function key shortcuts.
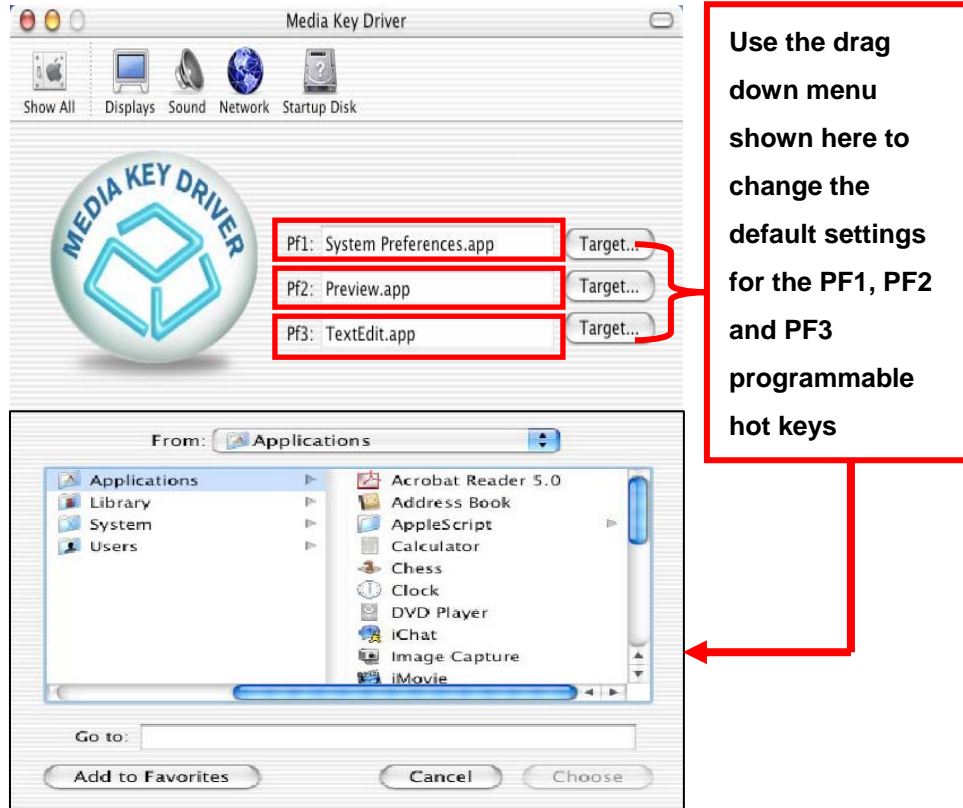

The prefix can be defined as an instant hot key in the following:

Close Window	Paste
Close All Windows	Cut
Close Application	Undo
Copy	Delete

Or these can also be defined as shortcuts to launch a specific program.

2

7) Programming the Media Keys

This keyboard has 3 programmable keys. The programmable key labeled "pf1" has a default setting for "System Preferences" and the key labeled "pf2" has a default setting for "Preview" and pf3 has a default setting for "Text Edit". To change these default settings, simply press pf1 for "System Preferences" and click on the media key driver icon. Once this is done, the following window will appear.

Use the drag down menu shown here to change the default settings for the PF1, PF2 and PF3 programmable hot keys

Choose an application, then click "Choose". The Media key is now set to your desired function.

3

8) Changing the Default Web Browser

To change the Default Web Browser on your MAC you have to open

Safari→ Preferences→, General→ and select your 'Default Web Browser'.

(for example Safari Web Browser)

9) Functional Media Keys

This Multimedia Keyboard comes with three functional hot keys: Calculator, Sleep and Power.

Keys	Definition
Calculator	Launch the Calculator
Sleep	Go to Sleep Mode
Power	Power On/Off Mac

Note: When running on Macintosh® OS X, please set "Num Lock" key off. The "Power Key" will not work when "Num Lock" is on.   (This is a feature of OS X.).

To Eject the CD from the CD-ROM: Press F12 more than 1 second.

10) Driver Download

You can also download the drivers for your Keyboard MediaKeys from our drivers section:

For MAC OS X & above:

www.adesso.com/drivers/akb2300MAC.dmg

For MAC OS 9:

www.adesso.com/drivers/AKB-2300MAC-OS9.sit

Limited Warranty

ADESSO provides one year limited warranty for the quality of all its products in materials and workmanship.

During this period, ADESSO will repair or replace all merchandise, which proved to be defective. However, ADESSO will not warranty any product which has been subjected to improper freight Handling, shipping abuse, neglect or unauthorized repair or installation. The warranty also will not cover products installed with Non-ADESSO components and product with broken sealed and assembly trace. After replacement of RMA, ADESSO reserves the right to request the total cost of the replacement products with broken seals or assembly trace.

If you discover a defect, Adesso will, at its option, repair or replace the product at no charge to you, provided you return it during the warranty period with transportation charges pre-paid to Adesso. You must contact Adesso at support@adesso.com for a Return Merchandise Authorization number (RMA) prior to returning any product.   For each product returned for warranty service, please include your name, shipping address (no P.O. Box), telephone number, copy of the bill of sale as proof of purchase and have the package clearly marked with your RMA number.
