Important Safety Instructions

Some of the following information may not apply to your particular product; however, as with any electronic product, precautions should be observed during handling and use.

- | Read these instructions.
- | Keep these instructions.
- | Heed all warnings.
- | Follow all instructions.
- | Do not use this apparatus near water.
- | Clean only with dry cloth.
- | Do not block any ventilation openings. Install in accordance with the manufacturer's instructions.
- | Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
- | Do not defeat the safety purpose of the polarized or grounding-type plug. A polarized plug has two blades with one wider than the other. A grounding type plug has two blades and a third grounding prong. The wide blade or the third prong is provided for your safety. If the provided plug does not fit into your outlet, consult an electrician for replacement of the obsolete outlet.
- | Protect the power cord from being walked on or pinched particularly at plugs, convenience receptacles, and the point where they exit from the apparatus.
- | Only use attachments/accessories specified by the manufacturer.
- | Use only with the cart, stand, tripod, bracket, or table specified by the manufacturer, or sold with the apparatus. When a cart is used, use caution when moving the cart/apparatus combination to avoid injury from tip-over.
- | Unplug this apparatus during lightning storms or when unused for long periods of time.
- | Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.

Additional Safety Information

- | Apparatus shall not be exposed to dripping or splashing and no objects filled with liquids, such as vases, shall be placed on the apparatus.
- | Always leave sufficient space around the product for ventilation. Do not place product in or on a bed, rug, in a bookcase or cabinet that may prevent air flow through vent openings.
- | Do not place lighted candles, cigarettes, cigars, etc. on the product.
- | Connect power cord only to AC power source as marked on the product.
- | Care should be taken so that objects do not fall into the product.
- | Do not attempt to disassemble the cabinet. This product does not contain customer serviceable components.
- | Do not use the unit immediately after transportation from a cold place to a warm place; condensation problems may result. Wait for about one hour till the moisture evaporates before operating the unit.
- | When using your portable DVD player, do not sit or stand too close to the screen.
- | To use a headset safely, please keep the following in mind:
 - Do not play your headset at a high volume. Hearing experts advise against continuous extended play.
 - If you experience ringing in your ears, turn down the volume or stop using the headset.
 - Do not use a headset while driving a motorized vehicle or riding a bike. It may cause a traffic hazard and is illegal in many areas.
 - Even if your headset is an open-air type designed to let you hear outside sounds, don't turn up the volume so high that can't hear sounds around you.
- | CAUTION! CD and DVD products utilize a laser. Do not try to open the product. Refer all servicing to qualified service personnel.
- | CAUTION! Danger of explosion if battery is incorrectly replaced. Replace only with the same or equivalent type.
- | Warning: Your DVD player contains a battery and charging system which is designed to work in temperatures that do not exceed 50°C (122°F). Leaving this product in a closed automobile or in the trunk of an automobile where temperature may exceed 50°C may result in permanent battery damage, fire, or explosion. Please remove your product from the automobile when you exit, do not place your product in the trunk of your automobile, and do not leave your product in any location where temperature may exceed 50°C.

WARNING: TO PREVENT FIRE OR ELECTRICAL SHOCK HAZARD, DO NOT EXPOSE THIS PRODUCT TO RAIN OR MOISTURE.

FCC Information

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference which may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.

- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio / TV technician for help.

In accordance with FCC requirements, changes or modifications not expressly approved by manufacturer could void the user's authority to operate this product.

Manufacturer/Responsible Party

Audiovox Electronics Corp.,

A. Introduction

Thank you for choosing the portable DVD player. The main features include a 7" wide Screen (16:9 Aspect Ratio) Liquid Crystal Display (LCD) monitor and a DVD player. The unit applies the latest state of the art electronics and is designed for use in hotels, offices or your home. The unit is constructed to provide years of reliable, trouble-free service and is compact so that you can take it with you anywhere and is designed for quick and easy installation. Please read the entire instruction manual supplied with this product prior to using. The documentation will assist you in using the system properly to obtain the best equipment performance. Please save this manual for later use.

B. DVD and Disc Information

DVD Copy Protection - This Product incorporates copyright protection technology that is protected by method claims of certain U.S. Patents and other intellectual property rights owned by Macrovision Corporation and other rights owners. Use of this copyright protection technology must be authorized by Macrovision Corporation, and is intended for home and other limited viewing uses only unless otherwise authorized by Macrovision Corporation. Reverse engineering or disassembly is prohibited.

DVD Regional Code - Your DVD player has been designed to process regional management information that is stored on DVD discs. The regional code for your player is 1 (The U.S., U.S. Territories and Canada). Only DVD discs that have regional codes of 1 or ALL (for all regions) can be played by your player.

Disc - Do not use irregularly shaped discs such as heart or star-shaped discs as they may cause the unit to malfunction. Do not stick paper, tape or glue on the disc. Do not expose the disc to direct sunlight or heat sources such as hot air ducts. Do not touch the surface of disc. Handle the disc by its edge. Clean the disc by wiping the disc from the center out with a cleaning cloth. Remove the disc from the unit and store it in its case after playing. Some playback operations of discs may be intentionally fixed by software producers. Since this unit plays discs according to the disc contents the software producers designed, some playback features may not be available. Also refer to the instructions supplied with the discs.

P. Rechargeable Built-in Battery Use

The DVD player utilizes a long-life Li-Polymer battery for portability. Li-Polymer batteries feature high storage capacity and low level of degradation. This means the Li-Polymer batteries do not have “Memory Effect” and thus can be recharged regardless of whether the battery is fully or only partially discharged. **The battery must be charged at least 8 hours prior to first use.**

NOTE: If you plan not to use the battery for an extended period of time (one week or longer), we recommend that you fully charge the battery. For longer periods of storage, please recharge the battery at least once every two months to maintain the battery in optimum condition.

Each full recharge takes approximately five hours.

During recharge, the red indicator will stay on. Once fully recharged, the red light will turn off. At this point you may remove the wall plug and stop charging.

Precautions Related to Battery Recharge:

1. The DVD player must be set to power off.
2. Once the battery is fully discharged, immediately recharge (regardless of whether you plan to use battery or not) in order to maximize battery life.
3. To charge the battery, please connect the power jack directly into the DVD Player and leave connected until the red charge indicator turns off.

Using and Maintaining Your Rechargeable Batteries

1. Please make sure you always use **only** the AC adapter included with the player to recharge your battery. The battery can only be charged with the AC adaptor and will **NOT** charge with the car DC adaptor.
2. Recharge efficiency will degrade when environmental temperatures drop below 41°F (5°C) or exceed 95°F (35°C).
3. Do not leave the DVD player in a hot automobile or temperatures exceeding 122°F (50°C). Permanent battery damage, fire, or explosion may result.

AUDIOVOX
ELECTRONICS CORP.

90 DAY LIMITED WARRANTY

Applies to Audiovox Video Products

AUDIOVOX ELECTRONICS CORP. (the Company) warrants to the original retail purchaser of this product that should this product or any part thereof, under normal use and conditions, be proven defective in material or workmanship within ninety (90) days from the date of original purchase, such defect(s) will be repaired or replaced with reconditioned product (at the Company's option) without charge for parts and repair labor. A game controller, if supplied, is similarly warranted for ninety (90) days.

To obtain repair or replacement within the terms of this Warranty, the product is to be delivered with proof of warranty coverage (e.g. dated bill of sale), specification of defect(s), transportation prepaid, to the Company at the address shown below.

This Warranty does not extend to the elimination of externally generated static or noise, to correction of antenna problems, to costs incurred for installation, removal or reinstallation of the product, or to damage to digital memory/media devices, gaming devices, discs, speakers, accessories, or electrical systems.

This Warranty does not apply to any product or part thereof which, in the opinion of the Company, has suffered or been damaged through alteration, improper installation, mishandling, misuse, neglect, accident, or by removal or defacement of the factory serial number/bar code label(s). THE EXTENT OF THE COMPANY'S LIABILITY UNDER THIS WARRANTY IS LIMITED TO THE REPAIR OR REPLACEMENT PROVIDED ABOVE AND, IN NO EVENT, SHALL THE COMPANY'S LIABILITY EXCEED THE PURCHASE PRICE PAID BY PURCHASER FOR THE PRODUCT.

This Warranty is in lieu of all other express warranties or liabilities. ANY IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY, SHALL BE LIMITED TO THE DURATION OF THIS WRITTEN WARRANTY. ANY ACTION FOR BREACH OF ANY WARRANTY HEREUNDER INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY MUST BE BROUGHT WITHIN A PERIOD OF 12 MONTHS FROM DATE OF ORIGINAL PURCHASE. IN NO CASE SHALL THE COMPANY BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES FOR BREACH OF THIS OR ANY OTHER WARRANTY. No person or representative is authorized to assume for the Company any liability other than expressed herein in connection with the sale of this product.

Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damage so the above limitations or exclusions may not apply to you. This Warranty gives you specific legal rights and you may also have other rights which vary from state to state.
