## 1 UNPACKING

This electronic equipment should be unpacked and handled carefully.

Check for the following items:

- Verify the unit model number
- Keyboard cable (part# 303-0239-001)

If an item appears to have been damaged in shipment, replace it properly in its carton and notify the shipper.

If any items are missing, notify your Bosch Security Systems, Inc. Sales Representative or Customer Service.

The shipping carton is the safest container in which the unit may be transported. Save it for possible future use.

## 2 SERVICE

If the unit ever needs repair service, the customer should contact the nearest Bosch Security Systems Inc. Service Center for authorization to return and shipping instructions.
